

Jaime Lee Johnson

jljohnson1911@gmail.com

PHONE (408) 561-6449

Skills:

My primary skills are in script writing, script editing, and script supervisor/continuity. I also have experience in many of the preproduction/production steps, such as concept design, location scouting, unit production manager, set design, set construction, special effects, property master, set medic, and drafting call sheets.

Software Knowledge:

Final Draft, Celtx, Open Office, Microsoft Word, Microsoft Excel.
