

Editor | Camera Op | Director

Whether Producing, Directing, Writing, Editing or Shooting Shane Mario Ruggieri is known for his collaborative style and storytelling. Since 1995, Shane's experience includes credits on print articles and ads, national radio and television commercials, animated features, music videos, corporate communications and documentaries. His resume features projects with Volvo, Dolby, Yahoo!, Macromedia, Chevron, Good Guys, Panasonic, Sony, Seagate, San Disk, Hilton, Aero seal, Hip Hop Film Fest, California Music Awards, Contra Costa Child Care Council, First 5, Sierra Online, Grammy Award winners Sly & Robbie, Eddie Money, and Elton John. Shane's many talents underline his passion for storytelling and inspire confidence in a job well done.

Shane's recent work includes shooting greenscreen elements in HD for Elton John's 60th Birthday Concert background video at Madison Square Garden; shooting, editing and programming a DVD VNR for Eddie Money's latest CD release "Wanna Go Back", the VNR included a music video edited and co-directed by Shane; producing the media and programming the Apple Keynote® presentation for San Disk's 2006 CES Press Conference; producing, shooting and editing "Bible of a Pimp" a documentary featuring the story of how rapper Too Short got his start and his affect on some of today's hottest selling Bay Area rappers. Shane has recently edited a webisode on the Carmel Dog Calendar for CarmelCalifornia.com and is actively editing TV series' Inside Washington Hospital, and several TV episodes of Health & Wellness.
