# **Greg Merkes      DP / Steadicam**

---

## **Experience:**

I have been working in the film and television industry since 1982. I have extensive experience as a Director of Photography and Steadicam Operator. My experience ranges from small corporate productions, for companies such as Wells Fargo Bank, to long format Feature Films such as "Never Die Twice". I sincerely enjoy all aspects of production and believe in providing excellent quality to my clients in regards to their productions and my service.
