Client Comments

'You're a **one-take wonder!** *Wallet Roulette (reality) ABC TV/Granada LA*
'Thanks for being a **one-take wonder!** *Sex in The White House LiveTV UK*

"**You're a pro's pro.** That you did 150 pages of TelePrompTer of complex computer material in the impossibly short time given you, still amazes me. It's a pleasure to refer to you as **one-take Derek.**" *Halekala Group, LA*

"... **knowledge of business and finance a distinct asset...** ability to read long passages at one stretch an important factor in completing a difficult shoot on time, within budget." *Transamerica Occidental Life, LA*

"... **his talent and professionalism gave new meaning to the word spokesperson,** thorough preparedness, quick thinking and problem-solving ideas saved us production time and money." *Alpha Micro Computers*

"... ability to correctly read a script on the first take, earned him the nickname **one-take Partridge.** He puts everyone at ease... **Derek brings something special to a production.**" *Telemedia Productions, KOCE LA*

"... **never seen a foreign language session go so smoothly, saved our budget \$1,400.00"** (French-Italian-Spanish) *AudioVision, LA*

Derek attended Paris and Barcelona Universities, has lived in 8 countries and traveled in 75. He works on-camera from TelePrompTer in French, Italian, German and Spanish. He was an RAF Officer and an ad agency AE. He always wanted to be a TV host, but had to wait till 1976, when he was invited to coach international trap and skeet shooters in South Africa. He met Mike Hart-Jones, head of Rhodesian TV, who hired Derek. Within a year, his live magazine program, *Frankly Partridge*, was Rhodesia's most popular show. Mike wrote to RTV's Board of Directors that Derek's fan mail, from viewers of all races and ages, was unprecedented in his ten years at RTV. He became RTV head news anchor, quiz master of the *Kwhizz Kids* and presented *Message to the Nation* specials. In the '60s Derek was CEO of Conservation Tools & Technology and was writing about wildlife conservation, environmental protection and pollution... long before it was 'politically correct'! He is national spokesman for Balboa Pacific's program of pyrolitic gasification of hazardous and toxic wastes.

JOURNALISM Columnist and feature writer for London Daily Express Investors Guide. Articles in *Screen Actor* — Accuracy In Media *The Washington Post* — Beverly Hills People — *ITVA Magazine* — Dramalogue. *Editor International Television Directory*
His book *Thought-Provoking Thoughts About Living*, was published in Rhodesia as *Frankly Partridge*. His pamphlet *Rhodesia as it really is* was described by London's Daily Telegraph as "a drop of truth in an ocean of lies" and, 10 million copies were distributed in 42 countries. For three years, his weekly column *Derek Partridge reporting from...* appeared in Look and Listen, Rhodesia's TV Guide
